### 2015 US-UK 36R Challenge Cup

The two days of match racing began about 10 am on Saturday. Sets of two boats were launched about 10 minutes apart. For the upwind legs, “beats”, the Skippers held their boats close to shore and parallel at the north east end of the pond. Originally five “mates” who volunteered to help, pushed boats off the south shores as skippers stayed on the north shore for the upwind legs. Starting “run” down from the west end was tricky with a catspaw of a breeze creating lots of misdirection at the start. Fortunately the wind conditions were perfect for both Saturday and Sunday.

**Holding for the start of a Free Sail Race**

**20 Participants Came to the Challenge**

5 came from the UK, with significant others; 11 from San Francisco with their partners and 3 from the Argonauts; Tom, Mark, and Jimmy; Rich, Kim and Glenda were volunteers. Ernie Mortensen did a great job organizing our end of the event.

**Challenge Cup Cont.** The Saturday night dinner at the SDYC was terrific. The second part of the UK/US 36R Challenge Cup was held on Spreckels Lake, at the San Francisco Model Yacht Club on September 19 & 20. The finishes for the San Diego portion are below. The Brits took 4 of the top 5 finishes. They take this racing seriously and the boats....beautiful all of them, old school, high tech and everything in between.

### US/UK 36R Top Ten Finishers

Finish	Club	Skipper/Sail Number	Total Scores
1	UK	Anthony Warren/No #	51
2	UK	Lisa Mc Kerchar/97	48
3	UK	Vic Applegate/46	48
4	UK	Martin Bandey/54	47
5	SF	John Fisher/65	42
6	SF	Bernard Price/61	40
7	SD	Paul Kelly/5	40
8	SF	Mike Stobbe/48	37
9	UK	Andy Fernie/65	36
10	SF	Kathy Mc Corkle/64	32

Our Paul Kelly came in 7<sup>th</sup> overall and Tom and Mark did well to finishes above some good SF skippers who practice with far greater regularity than we do. Getting back to our roots was great fun. I would like to see us get 6 boats together so we can have some fun racing on our pond.

**Sept ODOM Winners, RD & Son Hudson**

### September's Points Race

Points race was probably a bit of a letdown after Race Week. We did have a good turnout with 8 in the ODOM and 9 in the Soling 50 class respectively. We also got introduced to Karim Baran and his son Hudson. Some got a better introduction than others, as he stealthily nipped #588 at the finish three times in a row and got the BOR. So let's welcome our new club member, the collegiate sailor from Northwestern, who is definitely going to be a contender.

### ***Need RD's and Scoring Keeping for Fall Regatta***

At this time we do not have RD's or scorekeepers, or someone to bring the food and drinks for the Fall Regatta. Race sign-up forms are attached.

### ***Race Week Cont.***

In last month's newsletter I was remiss in not thanking our members who helped make Race Week a success. I think I started a list and just gave up. So I will try again and if I forget someone, please forgive me. Our RD's included Mark Hallberg, Mike Eldred, Bill Bridges, Jim Atkinson, Greg Dawe and Fred Rocha. Daily support came from Mark, Lon and Bill who faithfully everyday provided food, drinks and ice. Our HMS scorekeepers who met on an earlier Saturday and came ready to squint at the dim computer all day, included: Dunham Reilly, Gerry Wold, Glenda G., Jim Shadwick and I think Greg Dawe for the IOM's. Thanks to Mike Eldred who came and weighed the boats at the start of every class, with his super dooper scales. Special thanks to John Tyler who kept great records from 2012 which helped us try to be organized; Bob Hirsh who came every day to help in any way he could and Kim who is always there when you need an extra hand. Bob and Del Perena also provided AMYA with great photos of the event. Special thanks to Mark Weber who at very late hours kept the website up to date with scores. To the others who came to help in a variety of ways: Rich Rogers, Greg Williams, Bill Honeycutt, Bob Williams, Dick Denzler and Darren Hayden, Jimmie Hawkins, Bert Barbosa, and Dennis Frost. Thanks to all for coming and pitching in. To Lon a special thanks for keeping track of the money. To my best beloved Glenda who was our administrative manager, thank you for all the record keeping and communication to all the participants and committee members, your task was endless. And to whomever I missed...thanks to you too. With Great Appreciation, Tom Gardner – Director of Sail

### ***New Loaner Boat – Soling-50***

Gil Jansky on behalf of Mike Berrelli is donating Mike's Soling -50 as a loaner boat for the Club. The Argonaut's Board has not met yet on just how to assign the boat. Bob DeBow has it and has made repairs to it to make it ready to sail. It has older sails that are serviceable and a radio. Rob Wood, at Sept. Pts. Race expressed an interest in learning how to sail with it. We are at an early stage in working out the details, so if there is any other interest please let me know.
