

San Diego Argonauts Scale Division Model Boat Festival of Lights Sat. Dec. 13, 2025 - Dusk to 7:30 PM

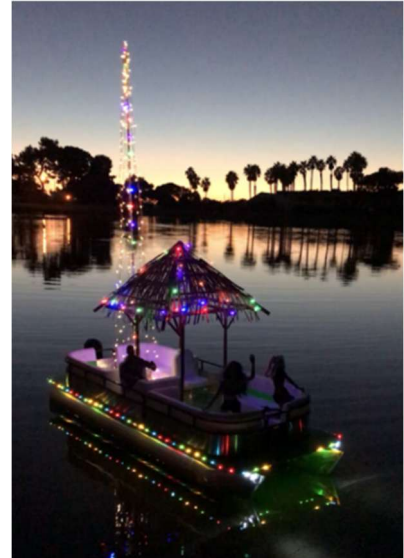

The San Diego Argonauts Scale Division invites you to attend its annual Model Boat Festival of Lights at the Model Boat Basin on Paradise Point (see map). This is the event everyone has been waiting all year for. This popular, free event features: our little fleet all lit up for the holidays, free refreshments, and plenty of good cheer! This great, family-friendly event is fun for children of all ages.

Come join us on the pond as we light our boats and join one another in cruising around at dusk. It's quite a magical thing if you haven't had the chance to see these models at night.

- **Set Up: 4:00 PM**
- **Boat Parade: 5-7:30 PM**

Bring the family, some lawn chairs and a camera to get big time enjoyment from this scale model boat event.

Enjoy all of the fun of the big boat Parade of Lights shining forth from our scale boats. The little boats may be reduced in scale, but they have all of the beauty and charm of the big boat event. For those who want to get more night time action after the parade ends at 6:00PM we will also be having a night run. The pond will be open till 12:00PM for those brave enough to stay long into the night.

San Diego Model Boat Basin

Join us as the pond almost any Saturday Morning.
